### ANNIVERSARY OF FIRES.

The fire which broke cut in W. A. Smoot & Co's. saw and planing mill and which spread over a large area and destroyed much property, occurred one year ago today. Flames burst suddenly from the mill shortly before ten o'clock in the morning, and being fanned by a brisk northwest wind destroyed the mill and consumed many piles of lumber. In a little while Cameron street from Lee to Union was a roaring mass of flame, and large piles of lumber on the side of the street were burning as well as several contiguous dwellings. Although the members of the fire department and others worked heroically and at times in dangerous positions, several hours clapsed before the progress of the conflagration was staged.
